## Build Your Own Schedule

Monday: Time  
specific workout

Tuesday: Time  
specific workout

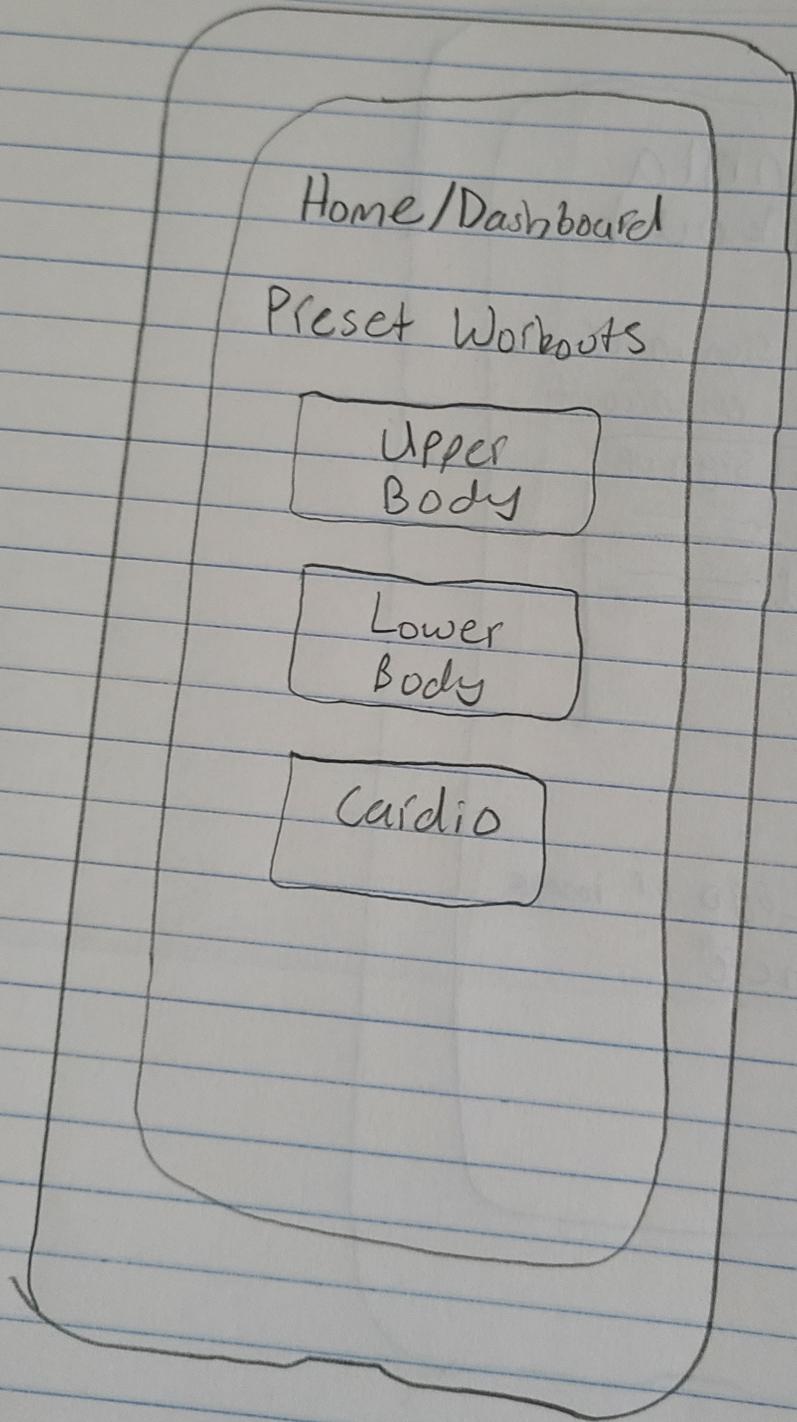

Wednesday: Time

Thursday: Time  
specific workout

Friday: Time  
specific workout

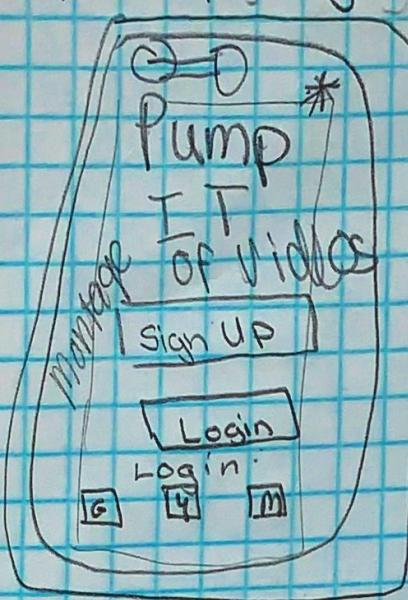

Saturday:

Sunday:

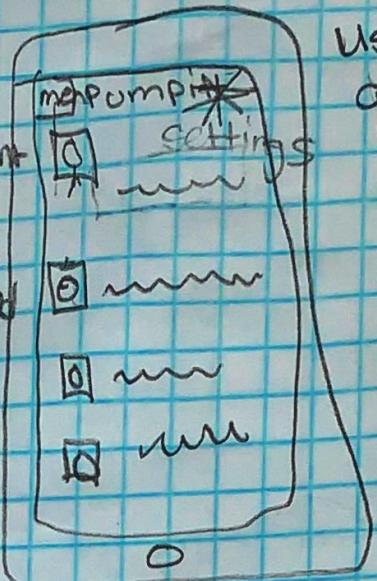

Kayla Waddy

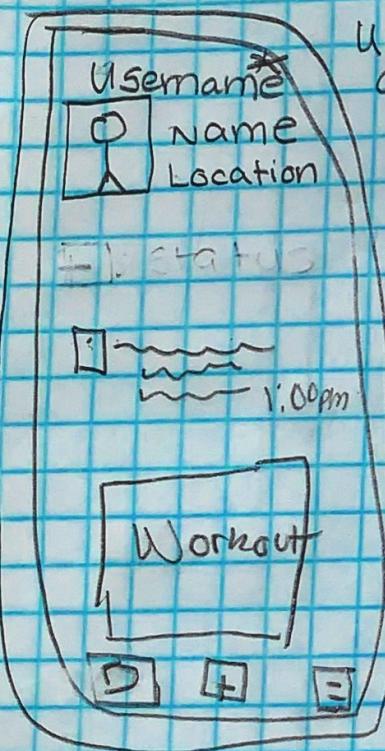

The opening of the app

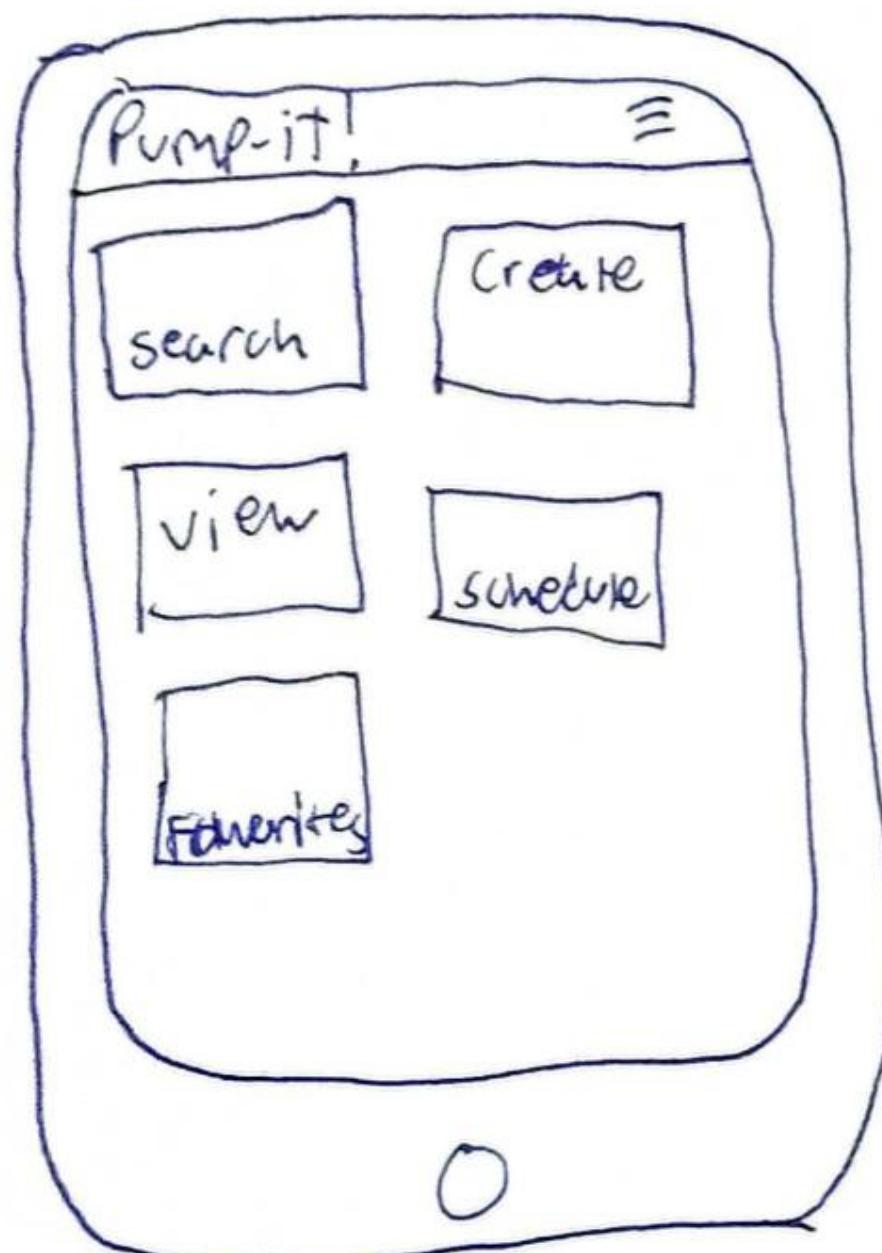

w/ a  
montage  
of different  
workouts  
in the  
background

Users would be  
able to see who  
is on their feed  
as soon as they  
log in or sign up  
with

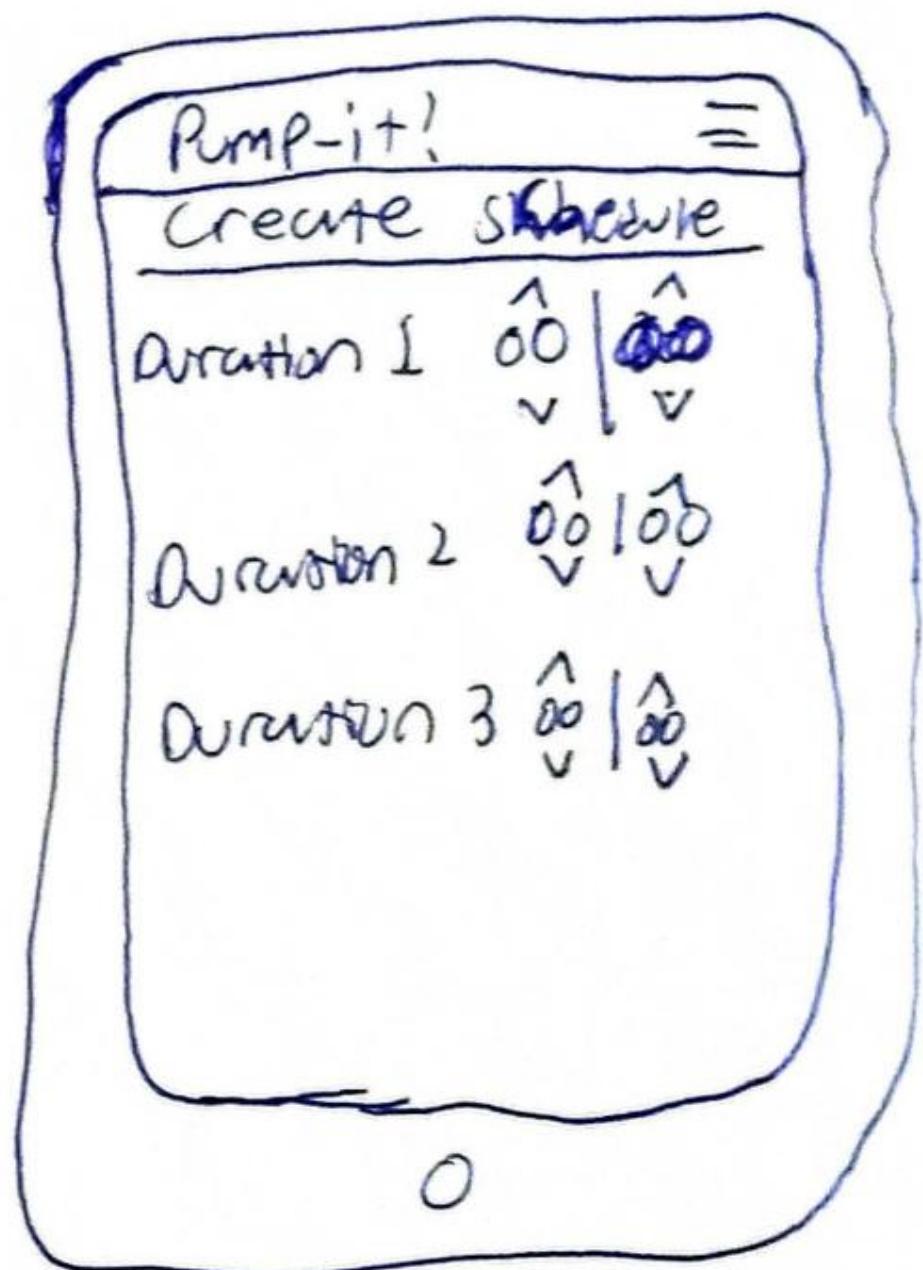

Users will also be  
able to look at their  
own profile and  
see everything  
they posted.

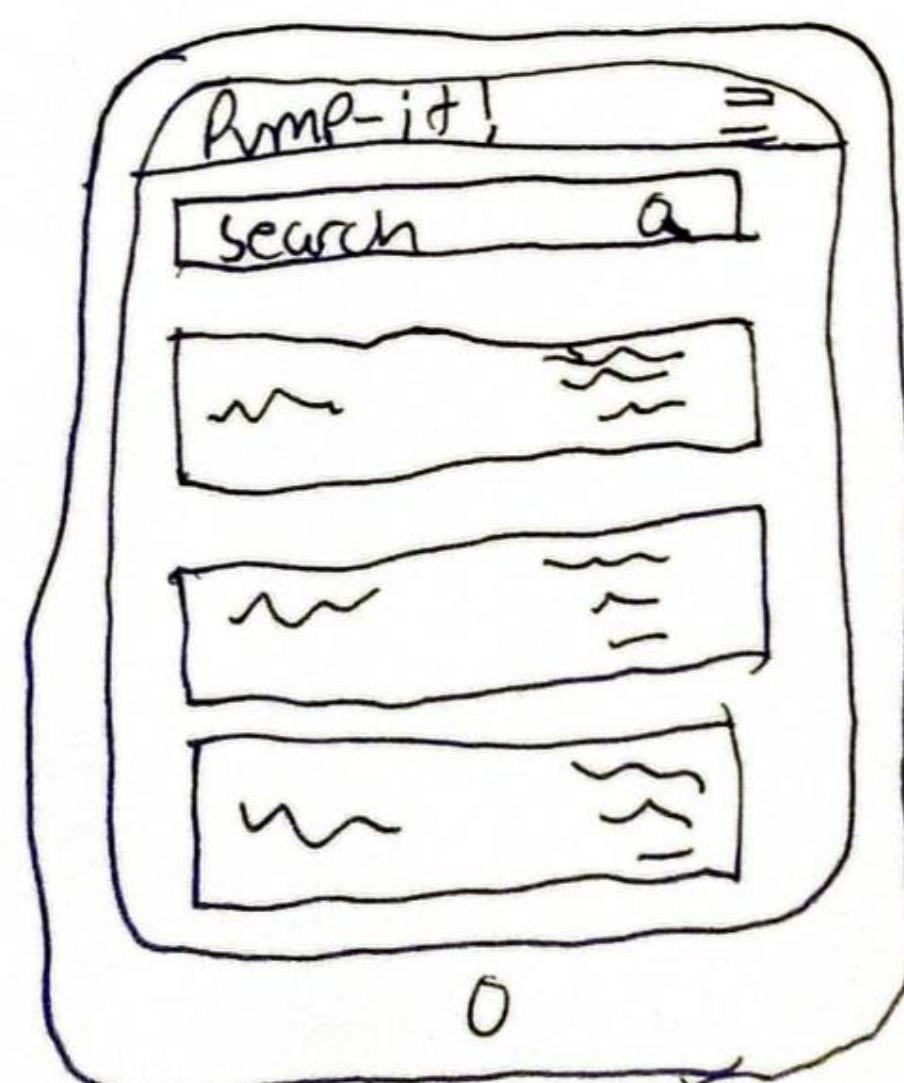

Options as Grid Squares  
Profile + Options at  
top right, drop-down  
menu

Selections are also in  
a Grid format

Timers are selected  
via tabs. Increments  
easily visible

Searches are  
shown in  
large rectangles

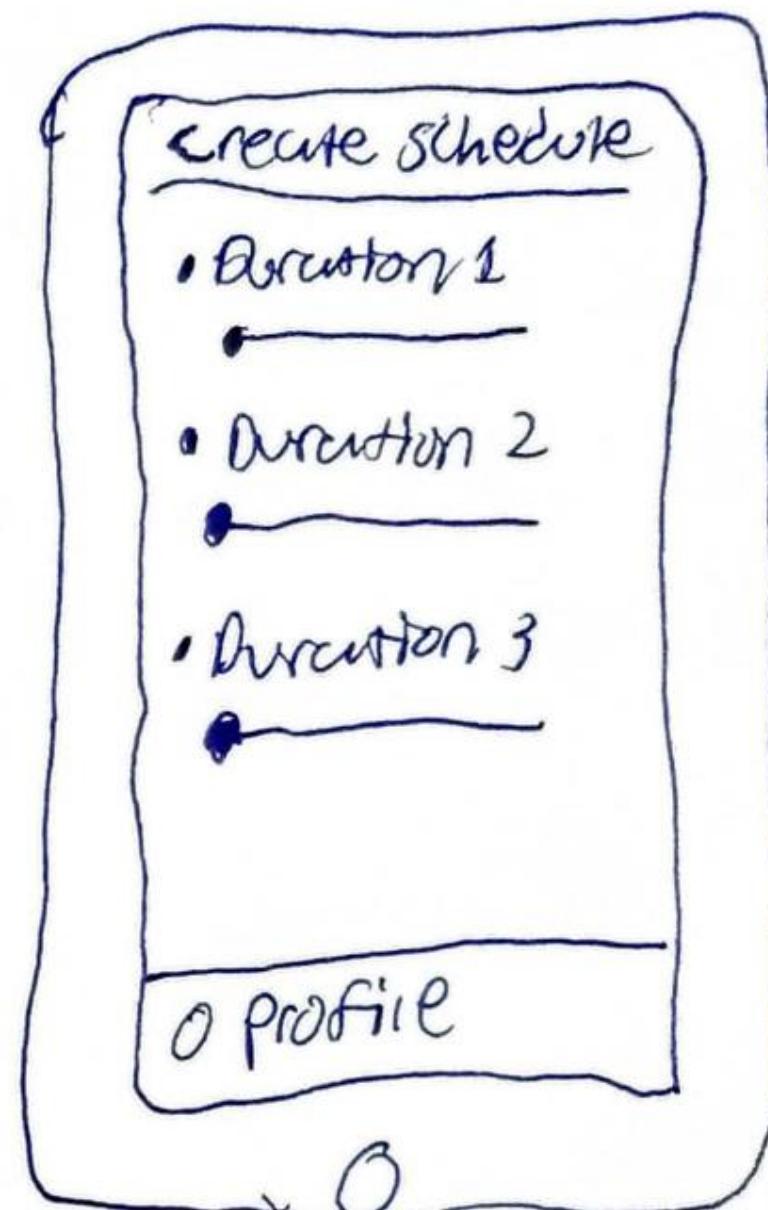

Trystan Wilson

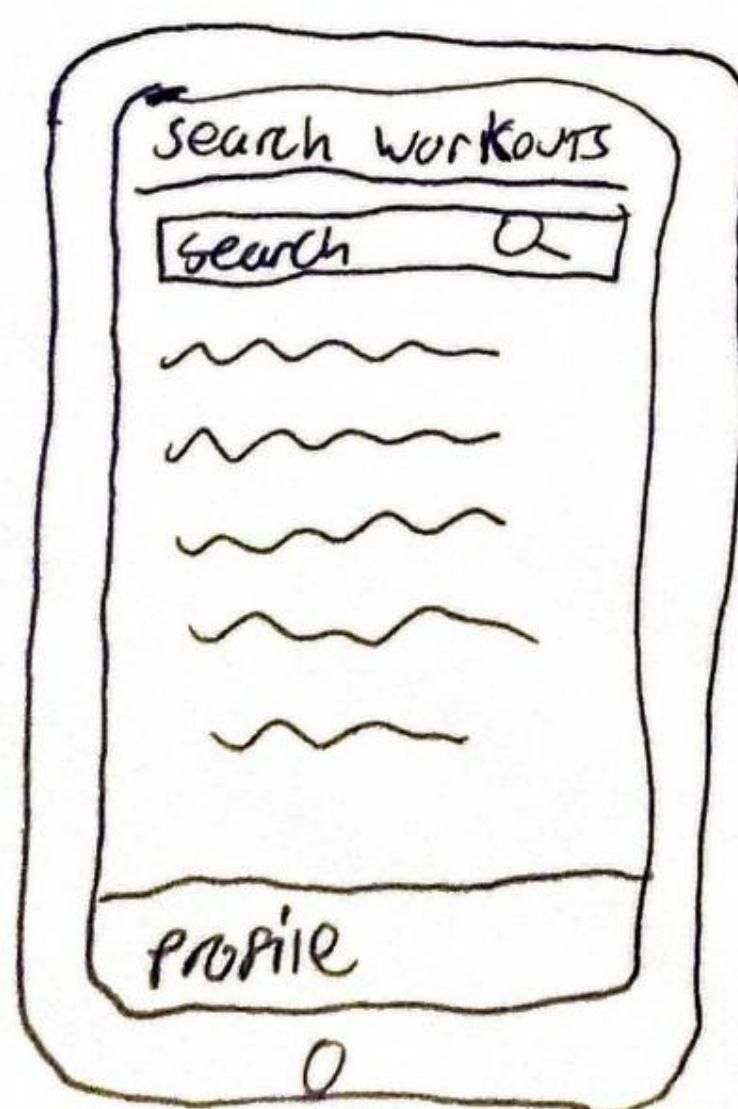

Idea for menu:  
bulleted list

Exercise list is  
also bulleted

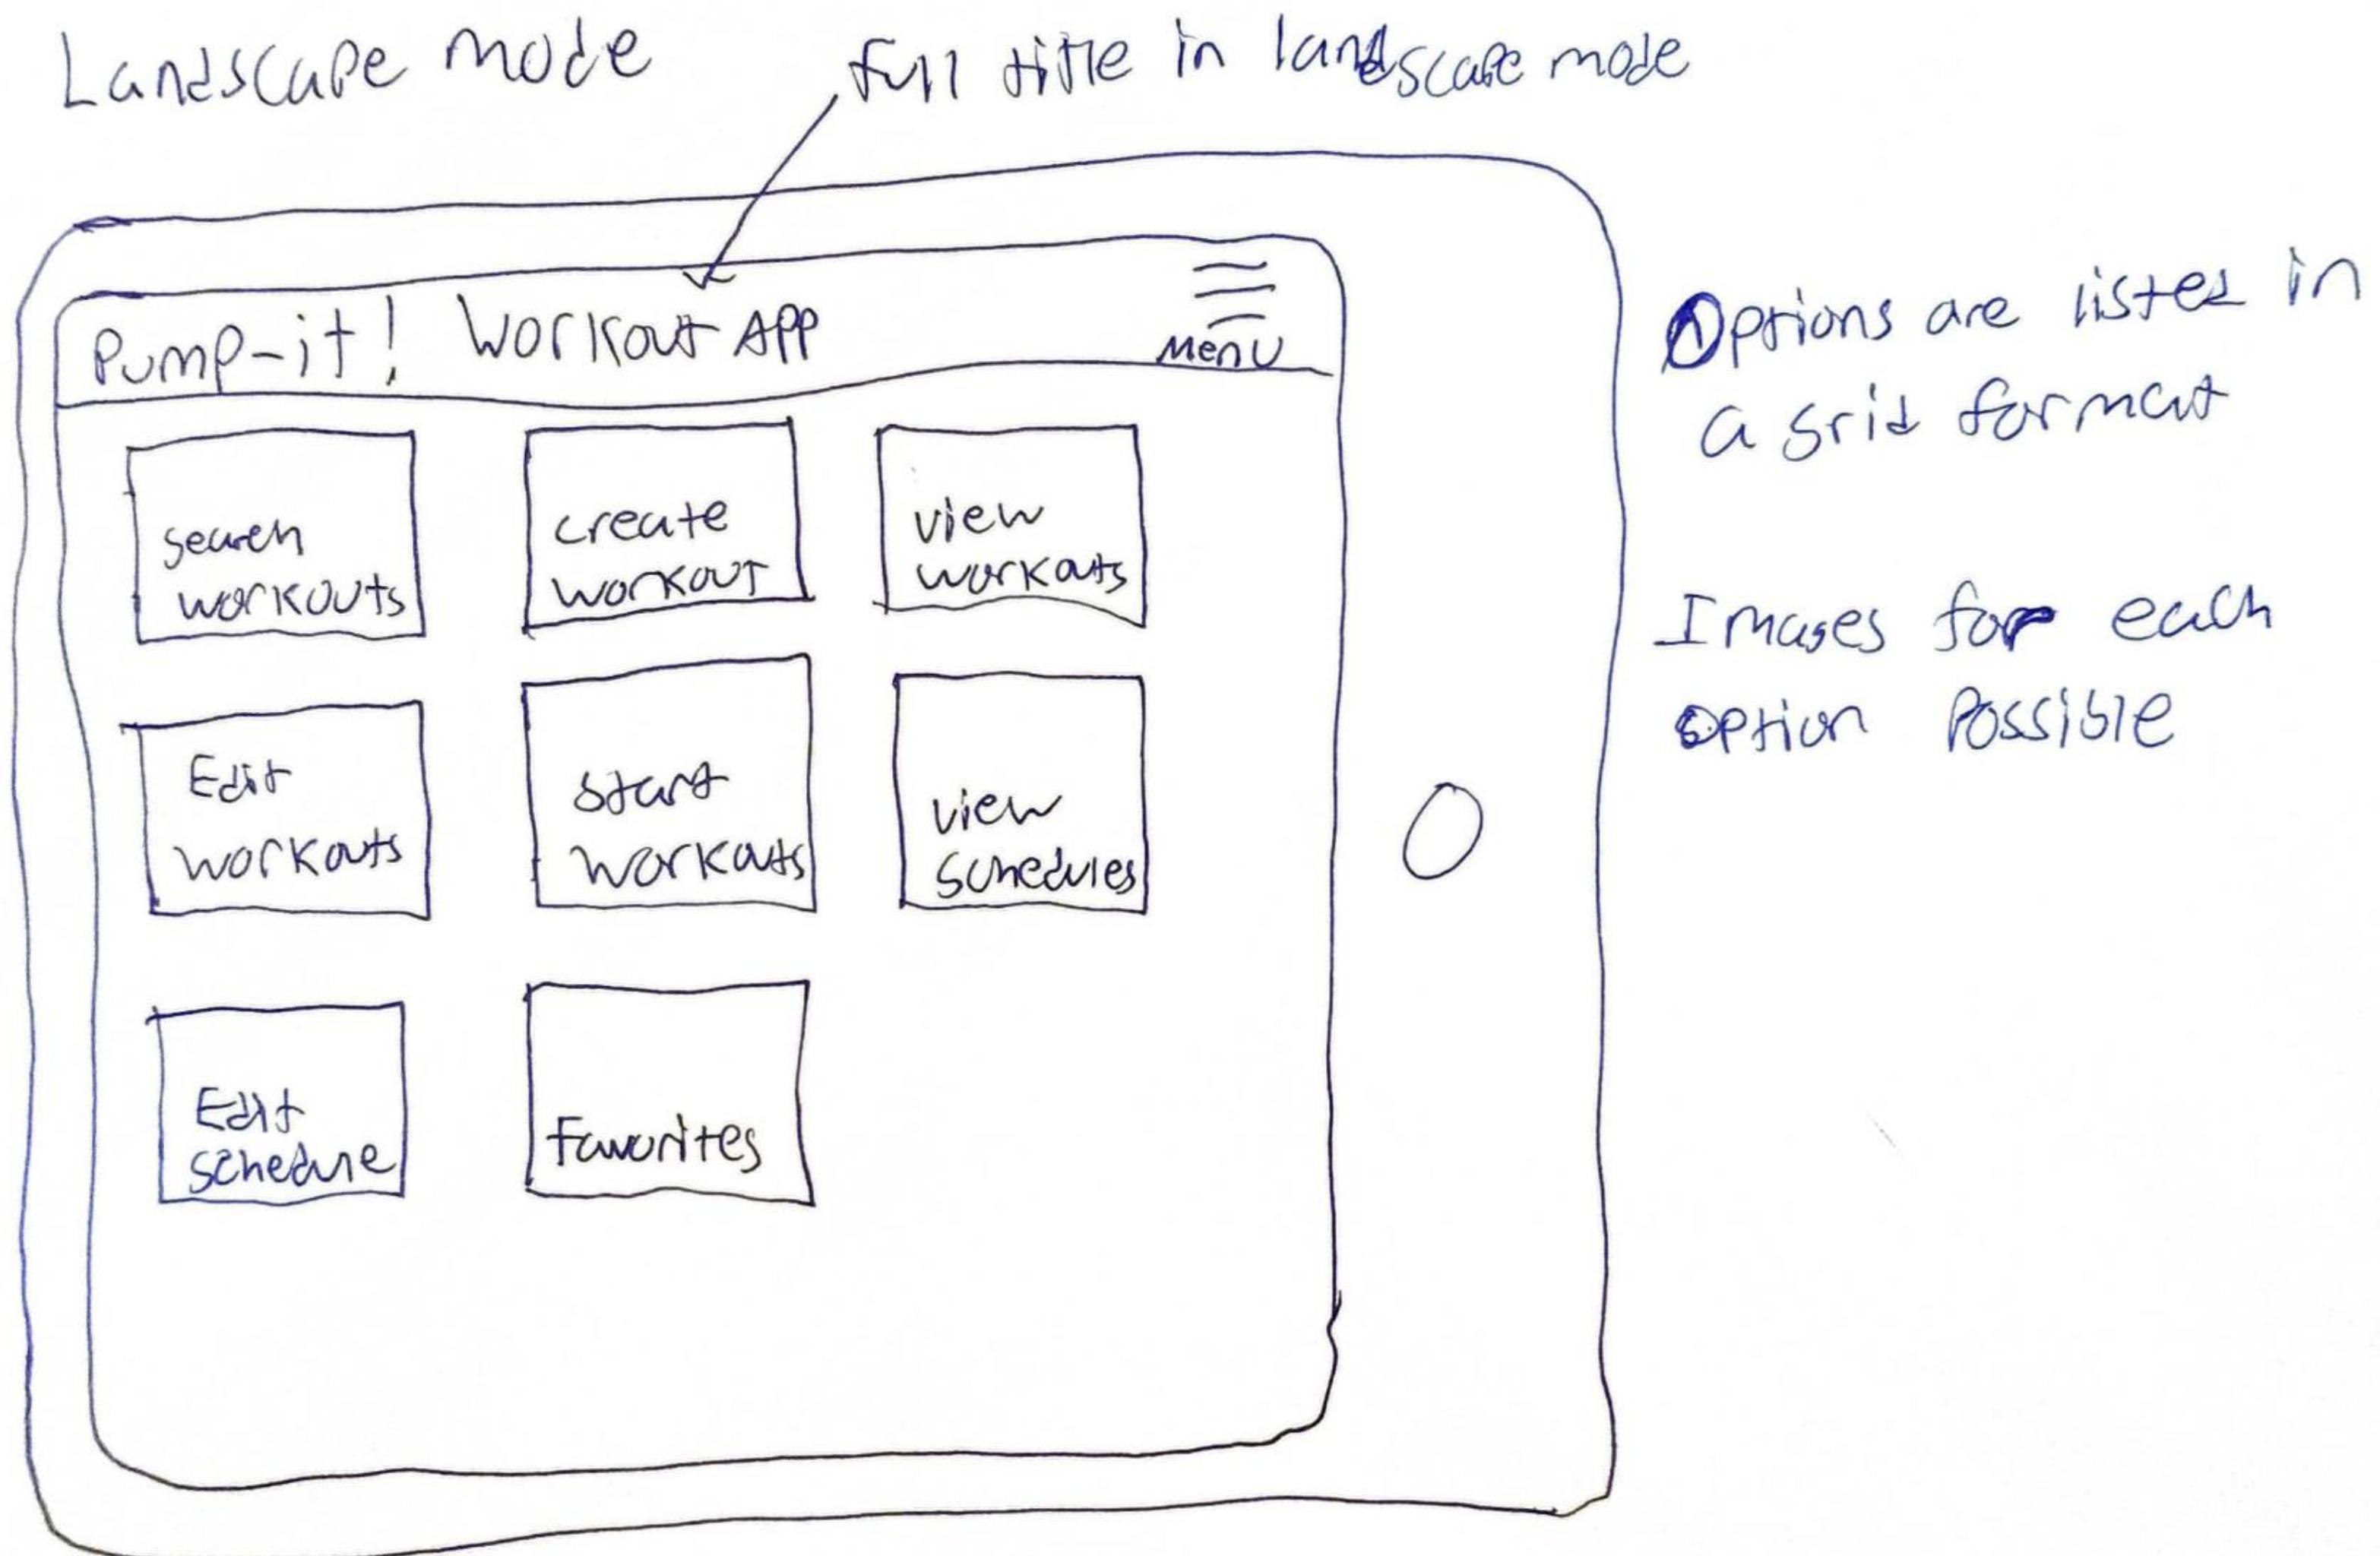

Workout ~~schedule~~ planner.  
Sliders for setting times

Search is in  
list format

Profile information  
is at the bottom  
of the screen

This is the home screen which allows you to create workouts and look at other workouts for inspiration!

Once into your workout after setting your duration each workout has a certain amount of time and switches after each one is completed.
